

## ACT English Review

**Goal:** Review ACT content before starting prep for the June ACT

Use The Complete Guide to ACT English by Erica Meltzer to complete:

- 3-4 chapters per week - about 30 minutes each

  - Read and HIGHLIGHT the grammar mini lesson
  - Complete drill practice
  - Correct and redo questions missed in new color pen
  - Annotate margins next to errors using the answer explanations in the back of the book. Learn from each mistake!
- Read and highlight CHEAT SHEET (located after Table of Contents)
- Take Practice Test 1
  - Correct and redo questions missed in a new color using answer explanations
  - List question types you miss (ie: Verb tense, Comma, etc.)
  - Re-read chapters corresponding to the question types you got wrong (ie: Verb Tense, Chapter 8) Your highlighting will now come in handy!
- Review CHEAT SHEET again. Focus on questions types you got wrong.
- Take Practice Test 2
  - Correct and redo questions missed in a new color using answer explanations
  - List question types you miss (ie: Verb tense, Comma, etc.)
  - Re-read chapters corresponding to the question types you got wrong.
- CHEAT SHEET may be referenced during the Practice Tests, if needed.
- Count the number correct from Practice Test 2 and use Score Conversion Chart (back of book) to calculate your scaled score out of 36!
